## Multi-Monitor Display Solution Experts

Our technicians have years of experience serving the most demanding customers, including all major branches of the military and NASA. We stand behind our expertise with the only 100% compatibility guarantee in the industry.

## Exclusive, Powerful Multi-Monitor Software

Specifically designed to enable the best multi-monitor user experience possible, CineMastery's unique array of tools and features powerfully enhance Microsoft Windows in order to allow your added screen real estate to perform efficiently and intuitively.

## Ergonomic Excellence

The small footprint and elegant cable management built into our arrays keep your desk neat, clean and organized. Additionally, all of our arrays use Centris™ pivot technology. Centris pivots allow each display to be easily adjusted between portrait and landscape mode and also allow a full 30 degrees of pivot instantaneously and without tools.

## Turn-Key Solutions

CineMassive Displays offers end-to-end no hassle multi-monitor solutions designed and supported by CineMassive Displays expert technicians. We can upgrade existing laptops and desktops or design new solutions custom tailored to suit your needs.

## Mission-Critical Reliability

Our clients range from NASA, the U.S. Senate, the SEC, FEMA, and every branch of the U.S. armed services to SONY, Kodak, McDonalds, IBM and individuals. Our years of dedicated multi-monitor experience and expertise assures mission-critical stability and reliability.

## Full Coverage Warranty

All CineMassive Arrays are supported by our exclusive 30-Day Zero Dead Pixel Guarantee, Money-Back Compatibility Guarantee, Advanced Replacement Service and Phone Support for Life.

## 100% Compatibility Guarantee

We are the only supplier of multi screen displays who guarantee 100% compatibility with your existing computer system or your money back. If you pass our free compatibility check and our displays still do not work on your system, we will give you a full refund.

## Zero Dead Pixels

All of our digital displays ship with a 30-day Zero Dead Pixel policy. If even just a single dead pixel is found on any digital displays it may be exchanged for a display of the same model at nom cost.

## Direct Access To Expert Support

CineMassive Displays customers are given access to expert phone support during normal business hours and access to our emergency support line. Our phones are always answered by multi monitor experts with years of experience.

## Advanced Replacement Service

If your display malfunctions while still under warranty, we will ship a replacement display even before you have returned the malfunctioning display.

## Flexible Payment Options

We offer Financing and Net 30 terms to qualified buyers for any purchase, no matter how large or small. We also accept money orders, credit cards and wire transfers for domestic and international customers.
